

TRICK OR TREAT – TOWN OF AMSTERDAM

Saturday, October 31st
from 4:00 p.m. – 6:00 p.m.

Trick-or-treat only with your household family group. Consider a family costume theme! Always stay socially distanced from those who are not living in your household. (You don't want to get too close to a witch, a ghost, or especially a virus!)

For those choosing to give out treats:

- * Avoid direct contact with trick-or-treaters

- * Give treats outdoors

- * Set up a station with individually bagged or packaged treats for kids to take

- * Participate in one-way trick-or-treating where individually wrapped goodie bags are lined up for families to grab and go while continuing to social distance (such as at the end of a driveway or at the edge of a yard)

- * It is best to take candy only if it is individually wrapped in a sealed wrapper or baggy, and is available to grab and go placed separately from other candies, so kids can easily pick up their treats without touching candy another child will take (e.g., no bowls)

- * If setting a grab and go station, set it six feet from your front door, which will allow trick or treaters to feel comfortable to approach, knowing they will not be in close contact with anyone at the location

*All individuals over age two and able to medically tolerate a face covering must wear face coverings or cloth masks. Most Halloween masks won't be sufficient to meet Department of Health guidance, so ensure you wear a face covering that provides adequate protection

Please turn your porch light on if you wish to have trick or treaters!
